Duke's Dogs May Run At P. B. Course

Greyhounds owned by the Duke of Windsor and the top racers of the Palm Beach Kennel Club may meet in a match race of a series of races.

Bill Powers, of the Palm Beach Kennel Club's publicity department, stated last night that he had written to the Duke of Windsor at Nassau in an attempt to arrange the matches for British relief.

"The Governor general of the Bahamas and the Duchess have been outstanding benefactors of the British at Nassau," Powers stated. "I wrote to him recently regarding a series of races between the British greyhounds and the American greyhounds and he has agreed to the plan."

"The Duke is such a great one, the match would be an international one and I have written the Duke to come here and present a trophy to the owner of the winning dog or dogs."

AMERICA!

The Grandest Place Of All
..... TO CALL HOME!

In these troublesome days—and every day, for that matter—to see the Stars and Stripes should make us proud of the fact that we are Americans. Radio and newspaper reports from overseas should make us ever mindful of the fact that we are living in a world torn with strife and greed—but, here in America we still enjoy the blessings of a bountiful life.

Small backsets—as we encounter them in our daily life—should be manfully cast aside. And full enjoyment should come from the fact that WE ARE AMERICANS!
